Passionate lifelong learner inspired to challenge herself by jumping into a career in Web Development. Dedicated to self-improvement while inspiring others to achieve their potential. Hard working and reliable team member who is patient, flexible, and eager to get started.

SKILLS

HTML5 | CSS3 | JavaScript | jQuery | Bootstrap | Node | MySQL | React | MongoDB | Express

RELEVANT EXPERIENCE

***JARVIS-* https://shrouded-tor-92911.herokuapp.com/**
- Collaborated with team members to design and build a React.js healthcare app intended to find the lowest cost options for major medical procedures.
- Front-End Developer, providing a straightforward UI.
- Assisted with backend troubleshooting.
- Github repo link: https://github.com/beckymcclain8/Jarvis2.0

Bamazon-
- Created a CLI node application designed as a mock store. The user can act as the manager or the consumer depending on which program they run.
- Utilizes a MySql database to manage the store's inventory.
- Github repo link: https://github.com/beckymcclain8/bamazon

***MARVEL Clicky Game-* https://vast-sierra-57358.herokuapp.com/**
- Created a game with React to challenge your memory and capture your interest.
- Github repo link: https://github.com/beckymcclain8/memory-game

***Road Trip-* https://ztpence.github.io/Road-Trip/**
- Collaborated with team members to create a road trip planning app using JavaScript.
- Github repo link: https://github.com/ztpence/Road-Trip

EDUCATION

Trilogy Education Services, University of Arizona, Gilbert, AZ   January 2018- July 2018
UA Coding Program - JavaScript Full Stack Web Development
- Intensive 24-week coding boot camp.
- Demonstrated a working knowledge of HTML (HTML5), CSS, Bootstrap, JavaScript, JQuery Express, Git, Github, Heroku, MongoDB, MySQL, Node.js, React, Responsive Design, API/JSON, RESTful API, and Command Line.
- Demonstrated ability to successfully work as a team to build fully functional web applications from start to finish.

Arizona State University, Tempe, AZ   August 2008- December 2009
Masters in Education: Curriculum and Instruction
Emphasis in Math Education

Northern Illinois University, DeKalb, IL   August 2000- May 2004
Bachelors of Science: Elementary Education

ADDITIONAL WORK EXPERIENCE

Fiesta Fundraising: *Regional Coordinator*   July 2015- July 2018
- Facilitated the setup and execution of fund raisers for more than 40 nonprofit organizations annually.
- Provided genuine customer service throughout each fund raiser, helping the group with their specific needs to maximize participation and profit.
- Connected with organizations by visiting them in person, making phone calls, sending emails, and attending conventions to promote our company and acquire new clients.

Sanborn Elementary School: *5th Grade Teacher*   July 2006- May 2015
- Managed up to 29 students daily, while constantly adapting lessons to meet the needs of diverse learning styles.
- Collaborated with team members to develop comprehensive lessons.
- Utilized Infinite Campus to manage student grades, attendance, and student information.
- Coordinated and scheduled activities for student events, fundraisers, and curriculum instruction.
- Communicated and organized daily and special events with parents, community members, and school staff.
- Continuing education to stay current in changes to the field.
